

CLEAN SLATE CLE 2019

WED., **MARCH 13**, 2019 | MECHANICSBURG | SIMULCAST | WEBCAST

New Clean Slate legislation has recently been signed into law in Pennsylvania that allows for individuals to petition the courts to have their criminal records sealed if the person has been free from conviction for 10 years for an offense that resulted in a year or more in prison and has paid all court-ordered financial debts.

Additionally, the new law allows automatic sealing of records for second or third-degree misdemeanor offenses that included a less than two-year prison sentence if a person has been free from convictions for 10 years, as well as sealing of criminal history records related to charges that resulted in non-convictions.

Participants will learn all about Pennsylvania's New Clean Slate Program:

- ▶ What can be expunged?
- ▶ What can be sealed?
- ▶ Will sealing happen automatically?
- ▶ Is there a waiting period before filing?
- ▶ Learn how Clean Slate changes the current process
